

## CHAMPAGNE AND AISHIHIK FIRST NATIONS

**Kwätsi dän: Our plan to get back to work**

### Workplace Agreement

Effective July 1, 2020, and with supervisory approval, employees at CAFN may return to work at CAFN offices and buildings on a limited basis, and in alignment with the measures set out in Kwätsi dän. Employees must discuss with their Director and obtain prior approval to return to the workplace. Please read and sign this agreement, and provide it to your supervisor if you wish to work in CAFN facilities.

#### Everyone working at CAFN facilities has the following responsibilities:

- Wash your hands or use hand sanitizer often, especially before and after contact with frequently touched items such as doors, railings, cabinets, etc.
- Disinfect work surfaces such as desks often, and any surfaces in areas also used by others, e.g. meeting tables, photocopiers, phones and countertops.
- Stop the spread of germs. Cough or sneeze into your elbow or a tissue to protect others; avoid touching your face to protect yourself.
- Clean equipment and tools **before** and **after** use.
- Make sure you have sanitizing solution and supplies at your work area or vehicle
- If you've just returned from outside Yukon, or are in close contact with someone who has just returned from outside Yukon, stay home and self-isolate for 14 days.
- If you feel sick, stay home.
- Stay a minimum of 2m (6 feet) away from other people while at work.
- read and understand your work plan, which includes training or direction.
- If I have any questions or concerns I will contact my supervisor or director

I agree to follow these protocols, and recognize that I may be asked to leave the facilities if I don't comply with them.
