

Face masks in Yukon

Face masks are mandatory in Yukon

- Masks are required in all shared indoor spaces.
- Your mask needs to cover your nose, mouth and chin.
- A mask can be cloth or disposable.

The most effective way to keep yourself and others healthy is to wear a mask and follow the Safe 6:

1 Physical distancing of 2 metres

4

Not gathering in groups of more than 10 indoors or 50 outdoors

2

Frequent hand washing

5

Limit travel to rural communities

3

Staying home if sick

6

Self-isolating when required by orders and directions

December 1, 2020

If you are sick:

Self-isolate, seek medical advice or call 811, and wear a mask if you must be near people.
