

## CHAMPAGNE AND AISHIHIK FIRST NATIONS

**Position:** Carpenter Apprentice (Entry-Level)

**Duration:** May 2026 – Aug 2026

**Job Level:** Entry-Level

**Location:** Whitehorse and Takhini River Subdivision, Ibex Valley, Yukon

**Hours:** Full-time (32 hours a week)

### **Company Overview:**

We are a Whitehorse, Yukon-based prefab construction company specializing in residential projects. Our work includes custom homes, multi-family townhouse developments. We are involved in many different communities throughout the Yukon and are seeking dedicated, motivated individuals to join our team as Carpenter Apprentices.

### **Position Overview:**

This is an excellent opportunity for a young individual (16-18 years old) interested in starting their career in the construction industry. As a Carpenter Apprentice, you will learn on the job under the guidance of experienced tradespeople. This is a hands-on role that involves assisting in all aspects of carpentry, from site preparation to the construction of homes and buildings.

### **Key Responsibilities:**

- **Assist with Site Setup:** Help prepare and secure the worksite, including installing temporary fencing, barriers, and signage.
- **Site Cleanliness & Safety:** Clear debris and hazardous materials from the site to maintain a safe and organized workspace.
- **Material Handling:** Load and unload construction materials, move materials to appropriate work areas, and assist with deliveries.
- **Operate Tools & Equipment:** Learn and safely operate basic small construction tools such as drills, saws and nailers, following training and safety protocols.
- **Work with Tradespersons:** Assist journeyman carpenters in framing, erecting walls and insulation.
- **Heavy Equipment Assistance:** Help heavy equipment operators secure attachments and guide them in equipment movements on the site.
- **Tool and Equipment Checks:** Perform routine checks on tools and equipment to ensure they are in good working condition.
- **Safety Protocols:** Adhere to safety standards, including the use of personal protective equipment (PPE), and follow Occupational Health and Safety (OHS) regulations.
- **Additional Duties:** Assist with various basic tasks on the construction site, as directed by the site foreman or supervisor.

### **Requirements:**

- **Age:** Must be between 16-18 years old.
-
