

Election Update

Sept. 11, 2026

The previously posted **Grant of Poll and Youth Councillor acclamation announcement has been removed** pending clarification of nomination information and confirmation of the appropriate election process.

For clarity, the removal of the Grant of Poll does not mean that there are fewer candidates than were previously announced. The Board is reviewing the nomination information to ensure that all eligible nominations have been properly accounted for before the Grant of Poll is finalized and reissued.

The Youth Councillor acclamation announcement has also been removed pending confirmation of the status of that position.
