

October 30th, 2026

Dear CAFN Citizens, we are committed to providing updates at least weekly.

This week we want to share with you all that with legal support we have confirmed that the new Election will proceed with no electronic voting and that we are confirming that all former ballots (either electronic or paper) are hereby voided.

We have not received any CRO applications as of this time and will continue that search until we have filled that important role.

We will be releasing more information next week with confirmed next steps in the 2026 CAFN election.

If you have questions, please reach out.

Sincerely,

Tosh Southwick (Chair), Diane Strand, Jocelyn Joe-Strack, Brenda Asp (Alternate),
Monica Primoizic (Alternate)

CAFN Election Board
